

CHANGE LIVES AT CAMP

COUNSELORS

Life-changing and resume-building experience!

Paid camp counselors join campers as they participate in daily activities that may include swimming, ice skating, arts and crafts, fishing, music time, sports, and more. They provide encouragement and support as well as assist with personal care needs.

Counselors make a difference in the lives of campers as they help the children form friendships and create memories that will last a lifetime. Along the way, they gain resume-building experience, including building critical thinking, leadership, and problem-solving skills.
