

# Curriculum Night 2025

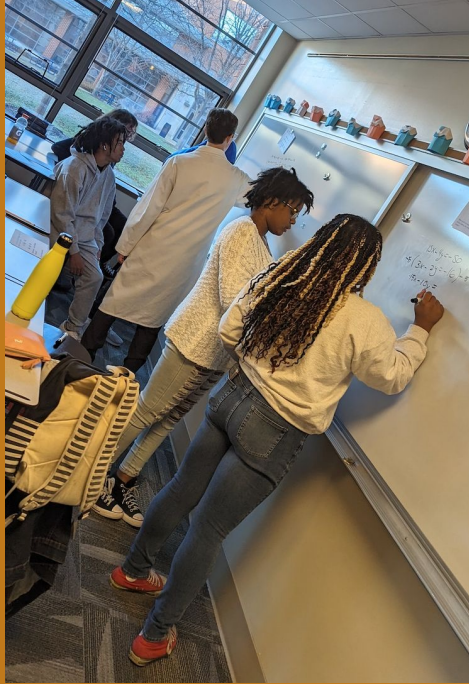

CHS Mathematics Department

Kurt Kleinberg, Chair

# OUR FAMILY

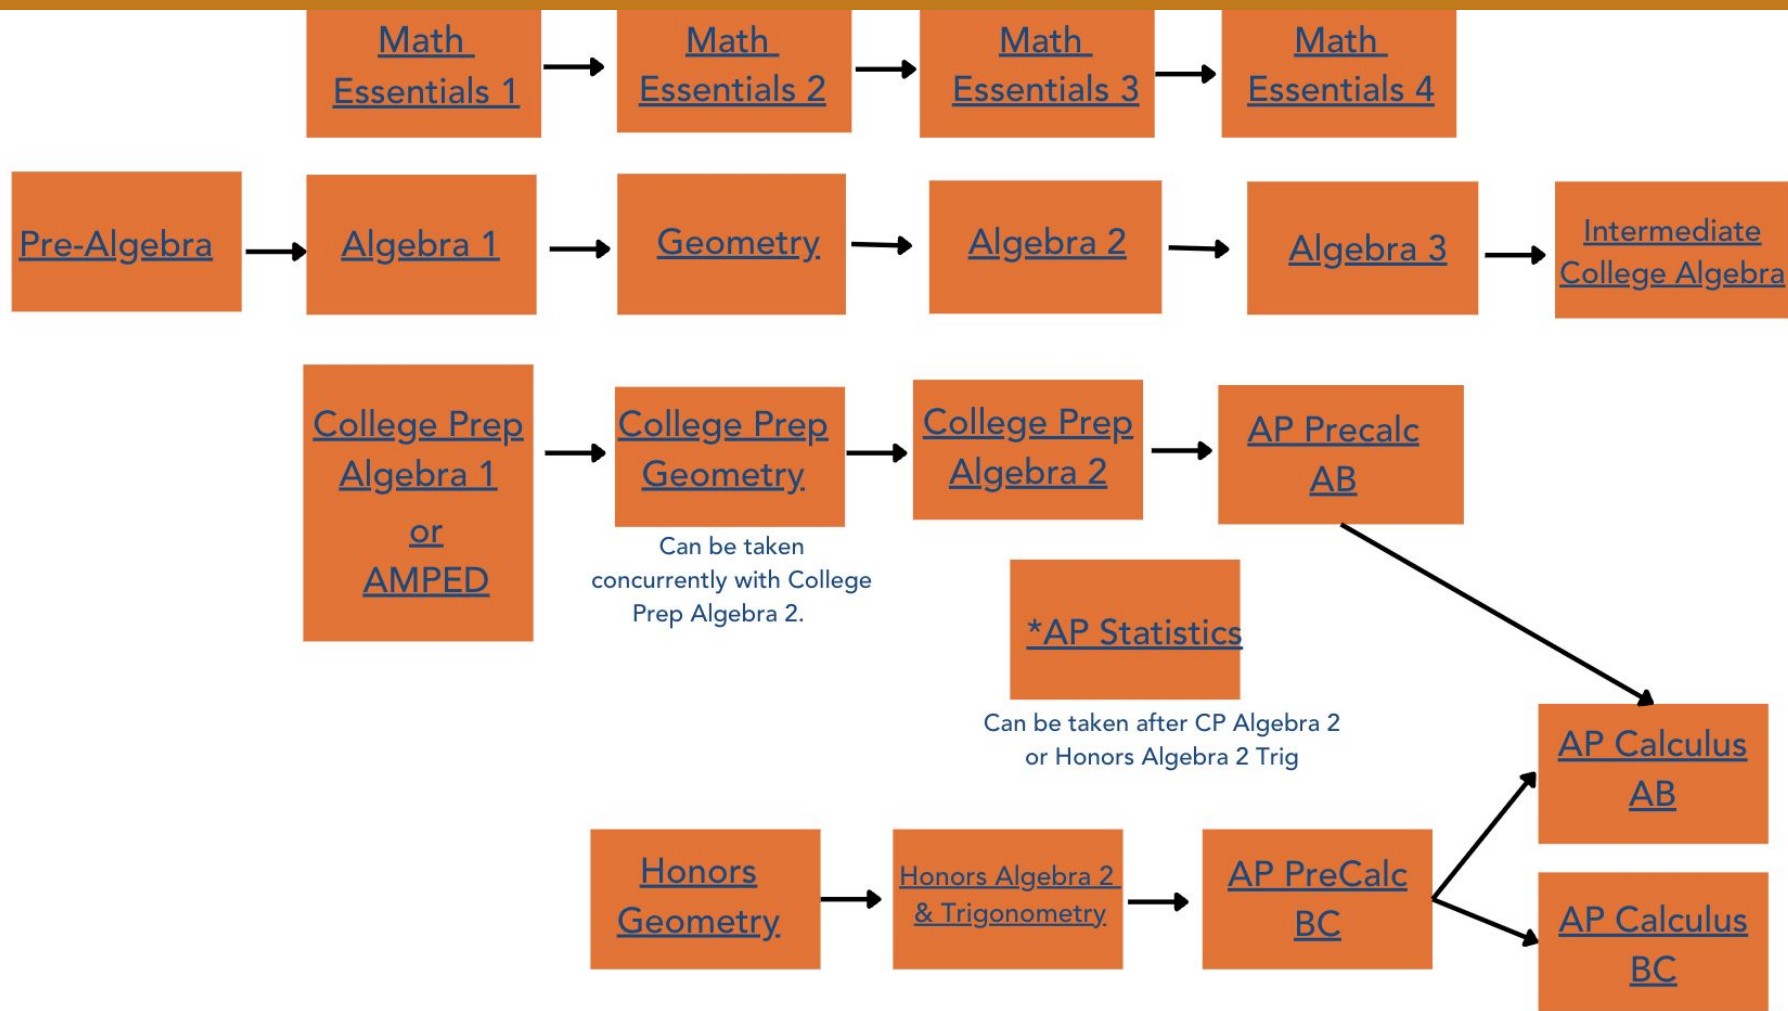

# What we believe...

- Everyone is a mathematician.
- Mathematicians are sense makers.
- Mathematicians are problem posers and problem solvers.
- Mathematicians are strategic thinkers.
- Mathematicians are collaborators.
- Mathematicians are creative.

# A few things to consider...

What does a typical math class look like?

- [Google Classroom](#)

What are some opportunities awaiting your student as a mathematician?

- AP Courses
- AMPED
- Math Club
