

DO THE WORK!

- Both in class and at home
- Do high quality work, not just to get it done
- Revisit your notes and teacher websites
- Review every day, not just before tests
- Memorize facts at the time
- Mark things you do not understand
- Study actively
- Figure out what techniques work for you
 - o flash cards
 - o reading aloud
 - o study groups
 - o teach others
 - o what else?

 - o Bring needed materials to class
 - o Use a separate folder/notebook section for each class
 - o Keep study area and backpack organized
 - o Gather everything you need for the next day before you go to bed
- Get phone numbers/email addresses of classmates
- Routinely check PowerSchool

If you are not
willing to learn,
no one can help you.

If you are
determined
to learn,
no one can
stop you.

EXPECT TO DO WELL!
