# WYDOWN MIDDLE SCHOOL

## SUMMER READING

### 2025

RECOMMENDED FOR ALL INCOMING 6-8 STUDENTS

Dear students, parents & caregivers,

Summer is almost here! Even though we will *not* be following a regular school schedule these next few months, we know how important it is to continue our reading throughout the year. Maybe you're already a voracious reader - you're the reader that has your stack of books all ready and waiting. Or maybe you're the type that struggles finding a book to keep your interest. Whatever type of reader you currently are, one thing *we do know* is that people read more when they can *CHOOSE* the books they read.

**Wydown's Summer Reading** is a way for all of us to continue our reading lives throughout the summer. Whether that means stepping out of your comfort zone as a reader/thinker, re-reading a favorite of yours, or reading to learn a new skill or talent -- *the choice is yours*. If you need recommendations, see the Wydown website!

**If possible, we'd love for you to  
submit before the first day of school.**

**Happy  
Reading!**
