Important Kindergarten Dates

Parent & Child Sneak Peek – July 24, 2019 from 8:00 a.m. to 1:00 p.m.

We are as excited about meeting *you* as *you* are about meeting us! For the child, Sneak Peek sets the stage for learning through play and building new friendships. Tasks are designed to give us a peek into your child's strengths as a learner. For parents, Sneak Peek offers the opportunity to talk with Meramec leaders as kindergarten teacher work with your child. The conversation provides time for frequently-asked questions (How does my child purchase lunch? Where does the bus pick up my child? How does the before- and after-school care program work?). We strongly encourage EVERY kindergartner to join us for this important event. Please sign up in the front office by July 1, 2019.

Playmates and Popsicles- July 25, 2019 from 6:30 p.m. to 7:15 p.m.

Join us on the Meramec Playground for the first of many kindergarten social events. Your child will find out his/her kindergarten teacher's name—and the excitement doesn't stop there! Parents will have a chance to connect with Meramec staff and other parents as their children explore the playground with classmates. More than just sticky faces and fingers, this event brings with it the promise of continued summer fun with new kindergarten friends.

Follow Up Mailing –

Parents will receive a confirmation of class assignments and information intended to help navigate this important first year of school.

Meet the Teacher – August 12, 2019

What's a child (and parent!) to do with *all* of those school supplies? Please bring them along when you drop by school for this event. Your child will explore the classroom and discover that, indeed, there's a place for *everything* in kindergarten! We have found that this quick check-in soothes those first-day jitters.
