Parents, Teachers, Staff, Meramec Alumni, Community partners, and extended friends and family:

We are starting our next **Brick Donor Plaza Fundraiser** in an effort to raise funds for our future naturescape play area. We look forward to you supporting this wonderful effort! Our goal is to raise **\$50,000** in funding! We are confident that we can do it, and we thank you in advance for your consideration, support, and generosity! It's time to leave another lasting impact on a school that has done so much for us and our community. Please Consider purchasing a brick or multiple bricks! Leaving a legacy is important, and the lasting impact it will have on future students is enough reason to GIVE!
