

WYDOWN SCIENCE OLYMPIAD

Join our Science Olympiad team to:

- Make friends with similar science interests
- Represent Wydown in competitions with local schools
- Develop your science skills in topics both inside and outside of the science curriculum

Who are we?

Science Olympiad is an extracurricular with a mission to get students excited about learning science and exploring the possibilities of a future in STEM topics. Volunteers from Washington University in St. Louis Campus Y come in to work with students on a particular topic.

What do we do?

Our volunteers come in on a weekly basis to coach students in an event and prepare for competitions. Each student is expected to prepare for three different events.

Where do we meet?

Mrs. Sermos' room or the 8th grade Science wing

When do we meet?

Practice times depend on what events the student picks. Practices are available before and after school (7:15 AM-8AM and 3:20-4:00 PM) on Tuesdays, Wednesdays, and Thursdays. We will attend invitational tournaments on Saturday mornings. Tournament schedule TBA. Students should be coming to practice at least three times a week.

How can I join and how can I learn more?

Our first informational meeting for parents and students will be on 9/8/2016 at 7:30 AM **OR** 3:20 PM or you can e-mail wdownso@gmail.com. Find information about Science Olympiad competitions at sonic.org.
