CLASSIFICATIONS

Students at Clayton High School are classified according to the number of credits they have accumulated.

The required credits for classification are:

10 th Grade	6 Credits
11 th Grade	12 Credits
12 th Grade	18 Credits
Graduation.....	24 Credits

GRADUATION REQUIREMENTS

The minimum requirements for a Clayton High School diploma are determined by the State of Missouri and the Clayton School District Board of Education. Preparation for specific personal, vocational, or college interests requires careful planning of the individual's course of study. The counseling staff is prepared to assist each student with this planning.

To earn a diploma from Clayton High School, students need to earn 24 credits.

- 4 units in English
(Including 3 units of conferenced English; English I & II required)
- 3 units in Social Studies*
(Including ½ unit of American Government and 1 unit of U.S. History)
- 3 units in Science
- 3 units in Mathematics
- 1 unit in Fine Arts
- 1 unit in Practical Arts
(Must include ½ unit of Personal Finance)
- 1 unit of Physical Education **
- ½ unit of Health
- 7 ½ units of electives

* Examinations on the United States and Missouri Constitutions must be passed

** Physical Education is completed at the rate of ¼ unit per semester.

Students who achieve a final grade point average of 3.75 or higher will graduate with High Honors; students with a grade point average of 3.50 – 3.74 will graduate with Honors. Honors designations are noted on the diplomas.

GRADING SYSTEMS

Clayton High School uses a four point grading system. Grades of A, B, C, D, P, and CR are passing grades. A grade of F or NC carries no credit. A student who receives an F in a required subject must repeat and pass that course to fulfill graduation requirements. The P grade is assigned when the teacher feels that a student has put forth a strong effort but the subject is too advanced for the student's particular stage of development. Physical Education grades are computed in grade-point averages. Credit / No Credit grades are not used in computing grade-point averages. Students may not add a credit bearing class after the end of the second week of a semester.

If a student chooses to re-take a course at Clayton High School in which the student has previously earned a failing grade or has earned a "D+" or lower, the new grade is calculated into the student's GPA. The original grade is removed from the student's transcript and is not calculated into the student's GPA. If a student wishes to re-take a course in which the student has earned a "C-" or better, special permission must be granted by the principal to replace the "C-" or better with a new grade.

If a course is dropped during the first marking period of the semester, no record of the student's enrollment is made. However, if the course is dropped after the first marking period, the grade is recorded on the permanent record as an F. Exceptions must be approved by the department chair and an administrator.

Clayton High School will award credit to students for courses completed at an accredited educational institution that has been accredited by the North Central Association of Schools. Course-work completed through non-accredited institutions or programs may appear on the permanent transcript but will appear as NC - no credit. Student transferring into CHS will have their GPA re-calculated based on CHS grading scale.

GRADE POINT AVERAGES (GPA)

Clayton High School uses a numerical point system for computing grade point averages used to determine class rank. Numerical values are attached to + and - grades.

A+	4.3	C+	2.3	P	.3
A	4.0	C	2.0	F	.0
A-	3.7	C-	1.7		
B+	3.3	D+	1.3		
B	3.0	D	1.0		
B-	2.7	D-	.7		
CR		Credit		No Grade Points	
NC		No Credit		No Grade Points	
EX		Excused, No Credit		No Grade Points	
INC		Incomplete, No Credit		No Grade Points	

CREDIT/NO CREDIT

Students may apply to take up to ½ unit of course work each semester on a Credit/No Credit basis. This option removes the selected course from the grade average computation. If the student does passing work, a grade of CR is recorded and credit is granted. In the event of failure, the grade is recorded as NC and no credit is rewarded. In neither case is the student's grade point average affected. In order for a student to apply for the CR / NC option the minimum graduation requirement must be met in that subject area. For example, after the first two high school courses in Fine Arts have been completed (one year required), the student may apply to take one additional course each semester on a CR / NC basis. **Requests for CR / NC options must be submitted before the end of the 1st quarter for 1st semester, and before the end of 3rd quarter for 2nd semester.**

POWER SCHOOL CODES

In order to create a more uniform grading system, the faculty at CHS has standardized some commonly used codes in PowerGrade. The meanings of four commonly used codes are below. If you see a code and do not know its meaning, please contact the teacher.

0 = *ZERO*

A student earns a zero on an assignment or test or has failed to turn something in that cannot be made up.

M = *MISSING*

Current score is a zero but a student can still turn in the assignment.

NX = *MAKE UP WORK ALLOWED*

A student turns in an assignment with too many errors. The grade is a zero. Make up's are allowed and would change the grade

EX = *EXCUSED*

A student missed and was excused and does not need to make it up. Counts as exempt.

✓ = *PENDING*

The teacher has entered assignments in advance of collecting them; the teacher needs a placeholder; the assignment has been collected but not graded; there is no reason to be concerned about this assignment / grade at this time.

ACADEMIC PLANNING FOR COLLEGE

Although Clayton High School has comprehensive requirements for graduation, students planning to attend college must be aware of the increasing competition for college placement. The following program of study would be virtually “ideal” for any college candidate:

- 4 years of English
- 4 years of Mathematics
- 4 years of World or Classical Language
- 4 years of Science
- 4 years of Social Studies

Taking a full academic load will preserve your credentials for college admission. Any deviation from this curriculum should be considered carefully. For example, if you elect to finish language study after only 3 years, you should substitute with a strong course offering from another discipline. It is important that you find a balance of challenging coursework couple with strong academic performance.

INDEPENDENT STUDY

Independent study should only be used by students for a course not offered at Clayton High School. Students should not take a course Independent Study when they can earn the same credit through another course at CHS (even in the case of schedule conflicts). Independent study courses must be proposed and approved by the end of the 3rd week of the semester. Independent Study courses already in the program of studies will continue as listed. Independent Study courses must be pre-approved by the individual teacher, department head, counselor and administrator before a student enrolls in the course. Extenuating circumstances will be reviewed on an individual basis by an administrator.

CORRESPONDENCE /ONLINE COURSES

As students are expected to take all courses at CHS if possible, correspondence and on-line courses are reserved for extenuating circumstances which will be reviewed on an individual basis by an administrator. All correspondence and on-line courses must be pre-approved with a counselor, department head and an administrator before the student enrolls in the course. No more than 2 credits may be earned via correspondence or on-line courses towards graduation. Acceptable reasons for correspondence / on-line courses:

1. A particular course is not offered by CHS.
2. Credit Recovery.

CLAYTON HIGH SCHOOL WRITING GUIDE

Clayton High School is a community of writers. Students write in all of their classes, producing formal expository essays, creative pieces, research papers and lab reports, as well as informal writing such as learning logs and journal entries. Clayton students use writing as a tool for learning as well as a way of demonstrating knowledge.  - Critical and creative thinking.

 - Appropriate perspective for the assignment and audience.

THE CLAYTON STUDENT SUPPORT TEAM

The Student Support Team (SST) at Clayton High School uses a problem-solving model to organize, develop and maintain a comprehensive support service delivery system that evaluates and enhances student performance. SST currently consist of: counselors, reading specialist, school psychologist, administrators, learning support director, nurse, learning center staff, and a representative from Special School District, science, math, world language, social studies, English, and the PE/Health departments. The team meets weekly to discuss, brainstorm, and create action plans for students who have been identified as “at-risk.” Teachers, parents, or other students may refer a student to the SST by contacting Carroll Lehnhoff-Bell, the Learning Center Director, at 854-6690. All referrals are kept confidential.

LEARNING CENTER

The Learning Center comprises classes in four academic areas--English, History, Mathematics and Science--and the Study Center that provides a quiet, academic atmosphere for students. In the Learning Center, students can work in an environment that is dedicated to academics, work with teachers devoted to the subject matter, catch up on any areas where they may feel left behind and learn skills needed to be successful in all classes. Learning Center students receive help with homework, long-term assignments, study skills, and organizational skills through small group work and one-on-one assistance. Students can also get ACT preparation strategies through books and computer software the Learning Center provides. Students who attend every day receive one-half “non-specified elective” credit for the semester; those attending every other day receive one-fourth credit per semester. To receive credit, students must be prompt, keep a daily planner, show respect, and work with Learning Center teachers to improve grades.

Learning Center hours are 7:30 a.m. to 4 p.m. from Monday through Thursday, and 7:30 a.m. to 3 p.m. on Friday. If you have any questions, please call Carroll Lehnhoff-Bell, Learning Center Director, at (314) 854-6690 or e-mail her at carrolllehnhoff-bell@claytonschools.net.

HEALTH SERVICES/ NURSE’S OFFICE

Students who wish to see the nurse during class time should report to the classroom teacher first. The teacher will fill out a “Permit to Nurse” form, which the student will take to the nurse. If / when the student returns to class, the student will return the Permit to the classroom teacher, including an indication of times and the nurse’s signature. If a student is injured in class or at an activity, the adult in charge must complete an Accident Report within 24 hours and submit the completed form to the nurse

OPEN CAMPUS

The Clayton High School campus is an open campus in that students are allowed to leave during the school day on their lunch periods or during free time. The expectations of the staff regarding class attendance are extremely high, and students who do not meet these expectations risk the loss of the open campus privilege.

CAFETERIA/FOOD SERVICES

The cafeteria is opened each morning from 7:30 – 9:30 a.m. There are a variety of breakfast foods available for purchase at this time. The School District of Clayton participates in the Free and Reduced Lunch Program. Information on this program can be obtained by calling 854-6641. It is recommended that students keep a five-dollar minimum balance on their cafeteria account to pay for food purchased in the cafeteria. Payment to a student account can be made in the cafeteria, mailed to Clayton High School in care of Food Service, or made online through MyLunchMoney.com. (Directions for setting up a MyLunchMoney account can be found on the District's website.) There is no charging of any food in the cafeteria. Lost identification cards must be reported immediately to the grade-level principal and cafeteria staff to ensure the security of the remaining balance in the account. We will not be responsible for the monies prior to reported stolen card.

BOOKS AND LOCKERS

Clayton High School provides each student with books and lockers in which to store books, supplies, and other needed items. Books and lockers remain the property of the School District of Clayton and are subject to inspection. Students are held accountable for damage done to books or other school property. Students are expected to furnish their own paper, pencils, pens and other ancillary supplies.

POSTERS AND FLYERS

The distribution and posting of school and non-school posters, leaflets, flyers, brochures, letters, and other printed materials must be appropriate, in good taste, and respectful. All such materials must be pre-approved by the Student Activities Office or an administrator.

STUDENT PARKING

Students are expected to use all acceptable courtesies and safe driving practices on and around school property. Student parking is permitted only in designated student lots. All CHS property is patrolled by the Clayton Police Department, and anyone parking in unauthorized areas will be ticketed. The School District of Clayton is not responsible for any damage to or items lost from automobiles parked on school property. Vehicles parked on school property are subject to search if need is warranted. Students who park next to Shaw Park must ask for a Permit. Student cars without this permit will be ticketed.

LIBRARY/MEDIA SERVICES

The Clayton High School Library Information Center is an integral part of the academic environment at CHS. The Library Information Center provides access to recreational reading, reference, research and technology resources. The Center houses over 20,000 resources, which are indexed in an online catalog (OPAC).

The CHS library website is: <http://www.clayton.k12.mo.us/chs/library>. The resource collection includes books, periodicals, newspapers, online databases and a variety of audiovisual and electronic resources selected to support curriculum requirements and to provide resources for independent study.

Library Media Center Hours

7:30 - 8 a.m. – Independent Study Only*

*Prior day sign-up in library or by email request to Ms. DeRigne at laurenderigne@claytonschools.net. Students must be working independently during this time. Group study is not allowed until 8 a.m.

8 a.m. - 3:30 p.m. Open access to all.

STUDENT ABSENCES AND EXCUSED ABSENCE CRITERIA

An absence is defined as *missing a minimum of one class period up to an entire school day (8 periods)*.

ATTENDANCE: Teaching and learning begin with student attendance. Clayton High School values students being in class every day. When it is necessary for a student to be absent for any class, **a parent / guardian is expected to call the Attendance Office (854-6607) prior to 10:00 a.m. on the day of the absence.** The number has a 24-hour voice message system for your convenience. If a telephone call is not received, the Attendance Office will call the parent or guardian after 10 a.m. **If no contact has been made within 72 hours of the absence, the absence will be unexcused.**

EXCUSED ABSENCES:

1. Illness of the pupil.
2. Serious illness of a member of the family or other family emergency which necessitates the absence of the student.
3. Death in the immediate family.
4. Medical or dental appointments that **cannot** be made during non-school hours. A note from the doctor's office confirming the appointment must be turned in.
5. Religious observances.
6. During AP exams, parents may choose to excuse their child from morning classes preceding the exam.
7. College visits.
8. Absences which have **prior approval** of the principal. Students who will be absent for reasons other than those listed above must seek approval by presenting a signed and dated note from a parent or guardian to the principal.

UNEXCUSED ABSENCES: Absences from class that do not fall under the eight excused absences criteria will be "unexcused." Parents and/or Guardians will receive an automated phone call each evening informing them of any unexcused absences received that day.

*Teachers are not obligated to accept work from students with unexcused absences. Students may receive zeros for any or all assignments or test/quizzes on the next day.

TARDY POLICY: Prompt attendance to class is essential for student success. Any student who is not in the classroom when the bell rings is considered tardy. Repeated tardiness to class will result in disciplinary action by the teacher or administrator. After school detention will be assigned for the accumulation of 3 or more tardies.

SCHOOL DAY ILLNESS: Students who become ill during the school day are not to miss class without permission from the school nurse or administrator. A student must obtain a pass from his/her teacher to receive treatment from the nurse during class time.

STUDENT DISCIPLINE

See Clayton 101 for specifics on School District of Clayton Policy and Procedures.

WEAPONS IN SCHOOL

The possession or use of a weapon, except where authorized by law, is prohibited in all school buildings, on or about school grounds, and at all school activities. A weapon is defined as any instrument or device commonly used to inflict physical injury or harm to another, or used to defend against an opponent, adversary, or victim. Violators may be referred to legal authorities and subject to suspension / expulsion from school in accordance with school district policy and the Missouri Safe Schools Act.

STUDENT DRESS

The Board of Education expects student dress and grooming to be neat, clean and in good taste, so that each student may share in promoting a positive, healthy and safe atmosphere within the District. This expectation includes the school day and school-sponsored extracurricular activities. When, in the judgment of the principal or designee(s), a student's appearance or mode of dress is not conducive to the educational process, or constitutes a threat to health or safety, the student may be required to make modifications. Prohibited items include, but are not limited to, any clothing that contains messages pertaining to drugs, alcohol, profanity or sexual content.

CLAYTON HIGH SCHOOL STATEMENT OF ACADEMIC INTEGRITY

Clayton High School values academic integrity and honesty. They are fundamental to the teaching and learning process. It is the expectation of teachers and administrators that all work be entirely the result of the student's own efforts. Plagiarism, cheating or other forms of academic dishonesty will not be tolerated. Collaboration and cooperation are not the same as cheating or plagiarism. Teachers will inform students when collaboration is an acceptable option. The determination that a student has engaged in academic dishonesty shall be based on specific evidence provided by the classroom teacher or other supervising individual. Students found to have engaged in academic dishonesty shall be subject to disciplinary action at the classroom and/or building level.

The following actions are examples of academic dishonesty (this list is not exhaustive, but is representative of forms of cheating):

- Copying someone else's homework and/or giving your work to another to be copied.
- Working together on a take-home test or homework unless specifically allowed by the teacher.
- Looking at another student's paper during an exam.
- Looking at your notes when prohibited.
- Taking an exam out of the classroom unless specifically allowed (either in person or by using electronic means).
- Using notes or other outside information on an exam unless specifically allowed.
- Giving someone answers to exam questions during the exam.
- Passing test information from an earlier class to a later class.
- Giving or selling a paper or class work to another student.
- Quoting text or other works on a paper or homework without citing the source.
- Handing in a paper purchased from a term paper service or from the Internet.
- Handing in another's paper as your own.
- Taking a paper from an organization's files and handing it in as your own.
- Changing a test, or paper, and claiming it had been graded incorrectly.
- Presenting another student's work as your own.
- Using electronic means to copy or share test/quiz materials.
- Texting or other form of electronic communications during a test or quiz.

A major form of cheating is plagiarism, the act of stealing ideas and/or expressions of another and representing them as your own. Ensure that any ideas not your own or direct quotes from others are properly cited at all times. Please review the plagiarism policy in the student handbook and provided by your English teacher.

If you have questions on an assignment or project, check with your teacher. Make sure you are clear on what is allowed and not allowed in all your classes.

I have read the information provided above. I fully understand the meaning of academic dishonesty and that there are serious consequences (ranging from a zero on the assignment to an out of school suspension) for engaging in such activities.

The above description was primarily prepared by the Office of Student Life at the University of Texas at Dallas and the University of St. Louis-Missouri

PLAGIARISM POLICY

Honest authorship is a primary value at Clayton High School. Dishonestly claiming authorship is *plagiarism*, a form of cheating and form of either lying or stealing or both.

PLAGIARISM: Taking ideas or writings knowingly from another and presenting them as one's own.

COPYRIGHT: A protection of "original works of authorship" that are fixed in a tangible form of expression. Students should assume that all printed work, whether hard copy or electronic text or images, is copyrighted.

Students should be aware of and are subject to the Educational Fair Use Guidelines, which allow for an exemption to copyright law if all of the following factors are met: ... the purposes must be used for the creator's intended purposes; the student is using only a portion of the work, never the entire work and never to avoid purchasing the original.

Acceptable Behavior in the Creation Process

1. Discussing the assignment with others for clarification.
2. Discussing ideas and details for understanding.
3. Exchanging drafts of work for critical peer response.
4. Participating in classroom activities pertaining to the writing process: pre-writing, drafting, revising, editing and publishing.

Unacceptable Behavior

1. Plagiarizing.
2. Surrendering one's work to another student to use without ensuring that the use will be consistent with the provisions of this policy.
3. Knowingly allowing another student to plagiarize one's work.
4. Taking someone else's work in any form (e.g. copying or downloading files).
5. Using additional sources when not properly credited and identified.
6. Assuming the accuracy of the information of a web site without verifying the accuracy of that information. All information included in web sites is copyrighted.

PLAGIARISM POLICY (Continued)

Consequences of Unacceptable Behavior

1. Whenever a teacher reasonably believes, based upon significant evidence, that a student has plagiarized part or all of an assignment or infringed upon copyright protection, the teacher shall evaluate the nature and extent of the plagiarism or copyright infringement, advise the student of the existence of the violation, and state the penalties to which the student may be subject:
 - Indicate in writing to the student and the student's parents, with a brief statement of the circumstances, that the teacher has a reasonable belief that the student has engaged in a violation.
 - Reduce the credit that the student would otherwise receive for the assignment by a degree commensurate with the severity of the violation.
 - Refuse to give the student any credit for the assignment.
 - Require the student to rework the assignment entirely, using his / her own ideas and style.
 - Refer the student to the proper school authority for any additional counseling or discipline consistent with any other policy of Clayton High School.

2. Whenever a teacher reasonably believes, based on significant evidence, that a student has knowingly assisted another student to plagiarize part or all of an assignment, the teacher shall evaluate the nature and extent of the assignment lent to the student who plagiarized and inform the student that she / he is, or may be subject to, the following penalties:
 - Reduce or eliminate the credit that the student would have received for his / her own work on the same assignment on which the student assisted another student to plagiarize.
 - Indicate in writing to the student and the student's parents, with a brief statement of the circumstances, that the teacher has a reasonable believe that the student assisted another student in plagiarizing.
 - Refer the student to proper school authorities for any additional counseling or discipline consistent with any other policy of Clayton High School.
 - In addition to disciplining the student according to the provisions of this policy, the teacher will continue to emphasize to the student the value of honest authorship

3. Violating the plagiarism policy may disqualify the student from school awards or honors.
