Wydown Food Support Program

The Wydown PTO is teaming up with The Counseling office at Wydown to offer a supply of nutritious food for children over their weekends and extended breaks. Counselors will help your student fill a big bag every Friday or on the last day before a break. Any child enrolled in Wydown can receive this weekly bag of food.

If you believe your family could benefit from this program, we encourage you to sign them up by filling the form out below and returning it to the counseling office, or directly to your counselor.

Please include information for each child in the Clayton School District. This information is kept confidential between your child's counselor and grade level administrator.

If you have questions or concerns, please contact your child's counselor:
