Students can typically keep books as long as they need to finish them!

Can we check out library books for the whole family?

Yes! Families are welcome in Glenridge Library

3:30pm - 4:00pm is a great time for families to use the library together.

You can also request books using our “Family Book Request” tab on the library’s website or email Mrs. Small.

What about Sora?

www.soraapp.com

- Sora is our digital platform for ebooks and audiobooks
- Use school or personal devices to access Sora content

(Mrs. Small loves using Sora or Playaways for listening to audiobooks!)

Not sure what to read?

Mrs. Small & Mrs. Holmes are happy to conference with students about reading ideas, make family reading suggestions, and send home a stack of books for your family to read together.

We'd love to hear from you!
