

GLENRIDGE GIVING: HOLIDAY ASSISTANCE PROGRAM

This year, the Glenridge community will be providing families in need with assistance during the holiday season. To help make the holiday season brighter for our families, we will be providing each family with gift cards that can be used to purchase necessities and gifts. If you would like to donate to the program, we will be accepting gift cards and monetary donations from **November 8th to December 1st.**

To streamline this support for families, we are asking for gift cards from these three vendors: Target, Walmart or Kohls. Monetary donations are also acceptable! All monetary gifts will be used to purchase additional gift cards from Target, Walmart or Kohls and shared with the families.

Gift card donations can be dropped off in the front office. Visit our [PTO website](#) to use your debit card to make a monetary donation via Paypal.
