

Dear Sophomore Parents/Caregivers,

Welcome to Clayton High School and the 2005-2026 School Year! We can't believe our kids are Sophomores; Freshman year flew by!

Just like last year, we are your PTO Parent Connections Representatives. At Clayton High School, the parent connections reps are here to be the liaisons between parents, PTO, and class officers. We will also organize two Parent Connections grade level events.

Additionally, our goal for this year to to help you become better acquainted with CHS and the PTO. Below is an outline of some dates you may want to keep in mind as the year goes on. But we strongly recommend you download the CHS academic calendar to your devices so you are aware of all important events. To do so simply, log on to <https://www.claytonschools.net> and click on the calendar. There, you will find the instructions on how to add all the school and district events to your electronic calendar.

In the meantime, when important events come up, or we feel there is something sophomore parents would benefit from knowing, we will send an email. We are also going to keep the CHS PTO website updated with current information. So please make a habit of checking that regularly too.

In the meantime, we hope this second year of high school will be even better than freshman year.

We look forward to seeing you soon!
