 - My hopes for my child this year are:

 - My hopes for our family this year are:
-

Routines: *Knowing about routines at home helps us support your child in the school environment.*

Does your child currently nap during the day?

If so, at what time(s) and for how long?

What is your child's usual bedtime and how many hours do they typically sleep at night?

Please describe anything that would be helpful for us to know about your child's eating habits and/or preferences.

On a separate sheet or below, please share anything else you would like us to know about your child and/or your family.
